SALON & SPA SOFTWARE

Accelerator Salon & Spa Software delivers state of the art business solutions focussed on the Hair, Beauty and Spa industries. Our mission is, *'To empower salon & spa supply organisations to dramatically increase in-salon retail and professional product sales'*.

Accelerator Salon & Spa Software's dynamic, interactive and totally unique solution will drive in-salon retail sales to all time highs, increase sales of professional salon products, and improve salon client retention. In addition, Accelerator Salon & Spa Software allows salon supply organisations to deliver focussed sales & marketing messages to millions of consumers who are known to spend money on personal grooming.

Accelerator is uniquely positioned to deliver high end quality products and services, backed up with world class after sales service to your organisation. With offices in New York USA, London UK, Mainland Europe and Sydney Australia we can respond to your needs and the needs of your clients quickly and effectively.

Our global team is ready to help you grow your business, increase your market share, and outpace your competitors. We offer centralised training at our New York, London and Sydney offices, and provide a 24/7 telephone support service to salons and spas via our dedicated support centre in Europe.

*Accelerator Salon & Spa Software is based on rock solid foundations and has been tried and tested in the global market over the past 10 years. Our experience has shown that salons and spas of all sizes benefit dramatically when using Accelerator.*

Accelerator Salon & Spa Software is a truly global solution with multi-lingual support and localisation options available for both English speaking and Non-English speaking markets. Accelerator is currently available for The USA, The UK, Australia, New Zealand, Ireland, South Africa, Hong Kong and Singapore. Accelerator is also available for Poland and France, with options available for other languages and countries where required.
